Door	"Member Only Entry," right of the main entrance
Level 1	Cages 1–4, to the right
Upstairs	Cages 5–13, through the parent lounge
Off limits	Cage 14 (T2) and the 2SP space

Getting in: enter the code, wait for the green light, pull the door, and let it latch behind you. Never prop a door or let anyone in behind you.

BOOK BEFORE YOU COME

usaprimemi.com

1. Check open space. usaprimemi.com and the lobby screen at both facilities show which cages and turf are open.

2. Book it free. Create a free account on our website and book. Your booking confirms your cage.

3. Don't just drop in. We hold space for 24/7 access, but it can be booked ahead of time. Walk in and it may be gone.

If a cage is booked and you're in it, you'll have to leave. Abusing the booking system (no-shows, holding space you don't use, booking for others) can cost you booking privileges and your 24/7 access. USA Prime Michigan reserves the right to revoke both.

WHO HAS ACCESS

- Rostered USA Prime Michigan players and their coaches only. No friends, siblings' teams or outside players.
- Never share the codes or post them anywhere. If you think one got out, tell us right away.
- Scheduled practices, lessons and booked space always come first. Walk-ins get whatever is open.
- Sunday Development Days (8:00 AM–11:00 AM) use the whole Shelby building. Check the schedule before you come.

OPENING RULES

1. Book first, or check open space at usaprimemi.com or on the lobby screen.
2. Turn on lights only for the cage or space you'll use.
3. Bring your own balls and gear; return any facility balls where you found them.
4. Turf shoes or sneakers only. No metal spikes anywhere.
5. Report damage, a broken machine or an unlocked door before you start.

CLOSING CHECKLIST

- [ ] Every ball picked up and back in its bucket
- [ ] L-screens, tees and nets back in place; cage nets closed
- [ ] Pitching machines unplugged and lights off in your space
- [ ] Trash, tape and water bottles thrown out
- [ ] Last one out: lights off and the door latched behind you

CONDUCT

No sunflower seeds, gum or food on the turf or in the cages. Players are responsible for any damage they cause. Misuse, sharing a code or leaving a door unsecured can cost the whole team its access.
